## QUESTIONS AND ANSWERS

Questions and answers apply to request for clarifications in regard to procedure UNOPS-SFRS-2015-S-066 – Provision of Technical Documentation for Dams with Accumulations „PAMBUKOVICA“ on Ub River and „KAMENICA“ on Tamnava River

1. Ref. Mandatory requirements n. 8

**Q: Please give a minimum value to "high dam" and inform if 10.000.000 m3 capacity refers to irrigation purposes of reservoir capacity**

**A: 10.000.000m3 capacity refers to reservoir capacity**

2. Ref: Mandatory requirements n. 13 - "professional company licences - P010G1, P010G3, P080G3

**Q: Please inform if equivalent documents for foreign companies is acceptable**

**A: Professional licences for foreign companies are acceptable if accredited by relevant Serbian Authority. Furthermore, the Technical Documentation needs to comply to Serbian Law and Regulations since it has to obtain all necessary permits. In other words Technical Documentation needs to be nostrified.**

3. Ref: Mandatory requirements n. 14 " licence for Engineers"

**Q: Please inform if foreign engineers duly registered in the national registers of Engineers are acceptable.**

**A: Yes, but as specified in the RFP, professional licence(s) of proposed foreign engineer(s) duly registered in the national registers of Engineers must be accredited by the Serbian Chamber of Engineers**

4. **Q: We also would like to receive more information about the value of the work and of the services object of the procurement**

**A: This information cannot be shared to potential bidders.**
